A non-profit corporation in support of the Brookwood High School Band Program

---

Dear Colleague:

We invite you to join the Brookwood Band Association in supporting the arts and education program of Brookwood High School Band. Your partnership provides tremendous exposure for you and your business in the Brookwood community and beyond.

The Brookwood Band Family includes more than 300 BHS families and an additional group of 600 families at Five Forks Middle School and A.C. Crews Middle School. These families recognize the value of music as an essential part of education, making better students and better schools. They support not only the band program but also the businesses that partner with us.

The Brookwood Band Association hosts a special event each spring called the Taste of Brookwood. Local restaurants participate by donating food, our Jazz bands and percussion ensemble perform, and we have a large silent auction. This has been a tremendous community event attracting over 1,000 attendees per year since 2006. The Taste of Brookwood offers additional opportunities for the business community to partner with us through exhibit space and in-kind donations. For more information, please visit [www.tasteofbrookwood.com](http://www.tasteofbrookwood.com).

Your partnership with us in support of the Brookwood High School band program is an investment in both the Brookwood students and in the community that will pay rich dividends. Please consider becoming a partner with the Brookwood Band Association by reviewing and completing the enclosed form.

Thank you,
